

10 Questions to Ask about Your Course

1

Do I have access to the course Canvas site?

What course material or technologies are required for this course?

2

Is this course on-campus, remote, blended, or online?

3

Does this course have synchronous class sessions held at specific days/times each week?

4

How and when will office hours be held?

5

What are ways I can contact the instructor? (e.g., Canvas message, email, Zoom, phone)

6

What are the major assignments for this course, and what are their point values?

7

How do I submit work for this course?

8

What academic resources (besides the instructor) are available to support me in this class? Remember to include campus resources, classmates, and study groups in your list!

9

What questions do I have about the course, and who could answer those questions?
