**Fall 2021 Academic Success Workshop Series**

*Workshops are interactive!*

We’ve designed workshops to engage & connect with you, our audience:

- Please feel welcome to add to the conversation; when we pose prompts or polls, your responses help us frame content specific to you & your peers.
- If you’d like to share something privately, please send a chat message directly to the facilitator.

---

**Take care of yourself.**

We know screen-time can be fatiguing & that you’re juggling a lot.

- We’ll have our videos on & we love when it works for folks to have their videos on too.
- We understand technology can be challenging sometimes; if we can help, let us know!
- We get that sometimes folks just need/want to take some space - that's okay to do.
- Please listen for invitations to share your thoughts regardless!

---

**Tell us about your experience.**

We’ll invite you to take a quick survey at the end – we build this into our time with you.

- We value your feedback & use it to make changes moving forward.
- The survey doesn’t take long, and your responses mean a lot.

Thank you in advance for your help!
